Year 1 Nell Bank Trip

Dear Parents / Carers

The weather forecast for Thursday is for high temperatures and a lot of sunshine! Please ensure your child brings a hat and that sun cream is applied before coming to school.

The decision to send your child in shorts or long trousers is up to parents/carers.

The advice from Nell Bank is practical outdoor clothing that is season/weather dependent. Just so you are aware - we will be completing activities in woodland, in the fields and there may be time in the adventure playground.

Water

Your child will have their packed lunch drink but in view of the weather I am asking that they also carry a bottle of water.

Some children already have a water bottle in school which they can take on the trip and carry around with them. **If your child does not already have a water bottle please send them to school with one on Thursday.**

There are also drinking fountains at Nell Bank.

Lunch

Children do not carry their lunch around with them, they are busy all day doing hands-on activities. Lunch is stored in the Nell Bank building when we arrive.

If you have any queries or concerns please do not hesitate to contact me.

Yours sincerely

S Sheridan

Year 1 Class Teacher
